

Before and After Photos
of Sarah's Botox, Juvederm, and
Cosmoderm Treatment

Treatment by George Anterasian, MD

Before Treatment

After Treatment

Notice the reduction in wrinkles in the forehead and around the eyes, and the smoother skin between the eyebrows. Also notice the softening of the facial folds and the lifting of the cheeks.

Before Treatment

After Treatment

Notice the reduction in wrinkles around the eye, the elevation of the cheek, and the improved contour of the jaw line

Before Treatment

After Treatment

Notice the reduction in forehead wrinkles, the softening of the cheek fold, the elevation of the cheek, and the resulting improved jaw line
